**Journey Awards**

The **WOW!** journey presents Brownies the opportunity to earn four awards. Girls begin with small, personal acts and then move out to purposeful teamwork that engages the larger community and influences its members in significant ways.

- **LOVE Water** - This first award encourages girls to become aware of the many ways they use and enjoy water. As they begin to understand the science of water and its importance in the world, they will also make a personal commitment to protect it.
- **SAVE Water** - The second award is earned when the Brownies team up and speak up as advocates to protect water or keep it clean in their community. Girls start thinking as a team about what they will do for water. By making an effort that moves beyond themselves, the girls begin to realize the impact that group efforts can produce.
- **SHARE Water** - Girls earn the third award as they create an even bigger ripple by sharing their efforts for water with others, educating and inspiring them to join in, and asking them to commit to a water promise.
- **WOW!** - Girls culminate their journey by earning the WOW! Award, a grand finale that symbolizes the powerful change they've brought to their community. They earn the award by showing proof of their SHARE Water efforts, and by describing how their efforts relate to the Girl Scout Law and how they have had an impact as leaders.
